MESSAGE OF THE CHAIRMAN

Our province Khyber Pakhtunkhwa in general, Ex-FATA, Ex-PATA and Swat in particular have seen enough of anarchic history when schooling of our children was not less than a nightmare. We were, for sure, poised in the most critical moment of either getting back into the prehistoric Stone Age by stopping our children to go for learning or to keep the light of hope burning despite all disparities. Our people chose to look ahead and forget the past. What can be more pleasant blessing than to see a day we are celebrating the success of our children.

Swat is a heavenly piece of land. Since I joined as chairman, it was a dream for me to deliver a system of examination and assessment where the deserving gets their reward without any inclination to subjectivity. By the grace of Almighty Allah, I found a team of dedicated officers and committed officials who made it all possible. Mr. Umer Hussain Controller of Examination BISE, Swat, Computer Section and all staff of BISE, Swat worked enviably day and night to bring to light the present Gazette in your hand. I am all sure no stone has been left unturned in ensuring transparency and objectivity of the entire system from conduct to marking and declaration of result this very day.

Much has been done however, more has yet to be delivered. I am rightly optimistic in hoping to see BISE Swat stands excellent among all sister Boards of Khyber Pakhtunkhwa by making further trend setting experiments in the system of examination and assessment.
