  - (iv) Write the name of the poem and who has written this poem?

**Q5. Read the following passage carefully and answer the questions given at the end.**

(05)

Germes are enemies and we must protect ourselves from these enemies. Some germes develop in the food. The germes of diarrhea, dysentery, cholera, hepatitis and typhoid enter our body through dirty food and water. So we should be very careful while buying foodstuffs from the vendors and sweet seller. If the foodstuffs are kept uncovered, germes get into them through flies and dust. As far as possible we should eat properly cooked food and well-washed fresh fruit.

**Questions:**

- (i) How do germes of some diseases enter our body?
- (ii) How can the germes of some diseases get into the foodstuffs?
- (iii) Where do these germes develop?
- (iv) What kind of food and fruit we should eat?
- (v) Suggest a suitable title for the passage,
