♣ Read the following paragraph carefully and answer Q. No. 21, 22, 23, 24 and 25.

My cousin loves to grow plants. He grows vegetables and fruits. He takes great care of the plants. Last week,

he gave me some green bean seeds. I brought those seeds home and showed to my mother. She helped me to plant the seed. First, we put some soil in a pot. Then we planted a few seeds. I remembered that my cousin told me that plants depend on water and sunlight to grow. So I put the pot in a sunny place by the window and added some water. I checked the pot every day. When the soil got dried, I added more water. Today, I saw a tiny stem. The plant is growing. After the next few weeks, stems and leaves will grow. Then flowers will grow. I am so excited. I cannot wait to eat the beans. I think these beans will taste even better because I grew them myself.
