BOARD OF INTERMEDIATE & SECONDARY EDUCATION, PESHAWAR

CHAIRMAN MESSAGE

It is a moment of great pleasure and satisfaction to see that the result preparation and the subsequent compilation of HSSC Annual Examination, 2020 is concluded in the most logical and practical manner in the backdrop of unprecedented COVID-19 situation. In fact, it was a real challenging task to promote the students to next grades while using alternative assessment strategies to secure the future and interests of the students in the best possible way.

Recoursing to the figures, in fact, 117825 candidates applied for the examination from district Peshawar, Charsadda, Khyber, Mohmand and Chitral (upper & lower). Despite the logistic and other challenges, great efforts were made to conduct the HSSC Annual 2020 examinations with the ultimate aim to provide congenial, conducive and student's friendly examination environment to the students when the pandemic COVID-19 hit badly and the examinations were cancelled later on.

The cancellation of examinations led to great embracement not only for the students, parents but also for the Board administration. However, the Board's authorities put every effort in these testing circumstances to come up with alternative strategies to promote the students on the basis of best performance evaluation on the basis of their past performance. A number of intellectual and practicable ideas were thoroughly discussed in various meetings held with the federal and provincial governments. The Elementary & Secondary Education Department extended its full support in this regard. After all these testing conditions, the BISE Peshawar has finally come up with the best possible result to secure the future of students.

I offer my genuine congratulations to those who attained maximum score in the examination. Hopeful the result will play an important role in their academic life and onward carrier. As far as under achievers are concerned, my message and advice to them is to remain determined and learn from their mistakes. The time is not far off when they will carry the day and lead others.

Best wishes

(Qaisar Alam)

MESSAGE BY CONTROLLER

By the grace of Almighty Allah, we feel very much enthusiastic and excited at this historic moment that HSSC Annual Examination 2020 results have been compiled successfully with complete care, devotion, sincerity and responsibility in the back drop of COVID-19 Pandemic. The office of the controller and BISE staff worked like a well unified team with zeal and zest, commitment, dedication and achieved the goal which was not a plain sailing. I am equally grateful to the staff of Computer Cell who worked day and night under the leadership of Muhammad Ijaz, Computer Programmer, BISE Peshawar. Here, we can't ignore the congenial efforts of Secrecy Staff and conduct Section, who worked hard day and night to realize the task well in time.

We always follow and ensure the principles of justice, equality, accuracy, impartiality and transparency and try to utilize students' talents and capabilities by preparing question papers through a pool of qualified paper setters that have been trained through specialized training programs arranged intervally by BISE Peshawar.

It is worth mentioning that BISE Peshawar always aims at facilitating the students, teachers and examination supervisory staff by providing conducive environment during the conduct of examinations and the subsequent marking process. The Board Supervises examination halls from board office through CCTV cameras. This year the process of online submission of admission forms of HSSC was put in vogue and the process of online apply for re-totaling of HSSC papers as well as verification of testimonials is in the offing. However, this year the situation was totally different and unprecedented due to COVID-19 Pandemic, where the compilation of result was done after hectic intellectual and human efforts, through best possible alternative strategies.
