Paragraph Instruction

Read the following paragraph carefully and answer the questions given below.

Plastic bags are commonly used today. They make our work easier. They have become an essential part of our lives now. We use them almost every day. It is time to say 'No' to plastic bags. We must stop using them. Plastic takes thousands of years to break down and decompose. It also causes water pollution. Plastic causes the death of animals. The animals have no sense of what to eat and what to avoid. We should avoid the plastic bags for the greater good. We must not use plastic bags to make this Earth a healthy place to live in.
