Read the following poem carefully and answer the questions given below.

*How beautiful is the rain!
After the dust and heat,
In the broad fiery street,
How clatters along the roofs,
Like the tramp of hoofs!
How it gushes and struggles out,
From the throat of the overflowing spout!
Across the window pane
It pours and pours;

With a muddy tide.
Like a river down the gutter roars
The rain, we welcome the rain.*
