Paragraph:

Libraries are one of the best places for learning. These play important role in our educational development. The libraries provide us with a gateway to knowledge and creativity. Recently, libraries are being digitalized. A variety of books on all subjects are available in the library. These books are accessible through an online account. Students can read the books at their homes at any time. Many libraries have been established in Pakistan. Punjab Public Library is the largest library in the country. It is situated near Lahore Museum. Books of all the fields like literature, medicine, astronomy, etc. are available. It has a computer lab. There are also different sections. The sections are managed according to subject and users. It has also a children's section. Children are also benefiting from the library. The section is decorated with different colors, pictures, and shapes. These help the children in learning new things.

Question No.5 : Read the following paragraph carefully and answer the questions. Marks (12)

Forests are home to different types of flora and fauna. They are vital to our survival. They maintain temperature. They protect our environment from excessive heat. Dark forests help sustain the life of animals and birds. They are also important for human life. We get raw materials such as wood, fruits, waxes, honey, vegetables and leaves. They are a great source for keeping wildlife. Trees prevent soil deterioration by removing the upper layers. They keep the air pure. They provide us with fresh oxygen and a clean environment. Mankind has used forest resources for thousands of years. Overuse, imbalance, and human greed have upset the Earth's natural cycle. Human activities such as deforestation and excessive use of trees for industrial purposes have led to their decline. We need to strengthen our campaign about more trees. To protect our environment, we must reduce the use of plastics. We should grow more trees to save the forest. In this way, we can pass on beautiful flora and fauna to the next generation.

(a) Give main idea of the paragraph. Marks (02)

(b) What type of material do the human beings get from forests? Marks (02)

(c) How is the Earth's natural cycle affected? Marks (02)

(d) Give two reasons that cause in decline of trees? Marks (02)

(e) How can we give fresh and clean environment to the next generation? Write one more suggestion other than given in the passage. Marks (02)
