MESSAGE OF THE CHAIRMAN

Students! It is an established fact that the world is ruling by those Nations who have knowledge.

This knowledge can be gained through quality Education. It is a matter of great pleasure of me to declare the result of SSC (Annual-II) Examination-2023. All this became possible by the grace of Allah, with the hectic efforts of teaching staff, Board employees, District Administration, Provincial Govt. due to which the examination was conducted in a smooth and transparent manner.

The evaluation was done without any discrimination and efforts were made to ensure justice and transparency, so the talent may be honored and awarded.

It is for the average and non-successful students that is failure that bread success and success have never bread success.

They are advised to continue their efforts, learn more and more from their mistakes and use their potentials wish zeal next time to get success.

At the end, I congratulate all the successful candidates, their Teachers, Parents and institutions concerned on this occasion and pray for their happiness and prosperity.

We unveil the talent not the faces.
