MESSAGE OF THE CHAIRMAN

Education institutions are lighthouses for generations. Its only and only from here nations seek ladders to the doors of progress and prosperity. Its development is pivotal in molding the minds and thus setting landmarks for any civilization.

Our province Khyber Pakhtunkhwa in general, FATA and Swat in particular have seen enough of anarchic history when schooling of our children was not less than nightmare. We were, for sure, poised in the most critical moment of either getting back into the prehistoric Stone Age by stopping our children to go for learning or to keep the light of hope burning despite all disparities. Our people chose to look ahead and forget the back. What can be more pleasant blessing than to see a day we are celebrating the success of our children.

Swat is a heavenly piece of land. Since I took charge of the chairman, it was a dream for me to deliver to it a system of examination and assessment where the deserving get their reward without any inclination to subjectivity. By the grace of Almighty Allah I found a team of dedicated officers and selfless officials who made it all possible. Computer Section and all staff of BISE, Swat worked enviably day and night to bring to light the present Gazette in your hand. I am all sure no stone has been left unturned in ensuring transparency and objectivity of the entire system from conduct to marking and declaration of result this very day.

Much has been done however, more has yet to be delivered. I am rightly optimist in hoping to see BISE Swat stands excellent among all brother boards of Khyber Pakhtunkhwa by making further trendsetting experiments in the system of examination and assessment.

MR. UMER HUSSAIN

MESSAGE OF THE CONTROLLER OF EXAMINATIONS

I am extremely grateful to Almighty Allah who furnished me with the aesthetic power to execute the SSC Annual-I examination and announce the results throughout the contingent districts i.e. Swat, Buner and Shangla for the year 2023.

I present my cordial congratulations to the position holders and their parents for this unprecedented expectation and greatness while underachiever may need grave concerns to bring some dramatic changes at their career. I am also grateful to our staff for un-surpassing struggles at tackling examination's liabilities, as without their consideration, it would have been patchy and incomplete. Extending further, it haunts me instantly to make it sure that SLOs based papers needs urgency to be implemented at the earliest as un-conceptual learning lacks character and career building seeming to be parasite largely. For the forthcoming years, SLOs based papers will strongly be held without any misunderstanding and delaying. Finally, the BISE Swat is committed to conduct the following examinations purely unpolitical, well-furnished and realistic saying farewell to the traditional execution.

In the end l appeal to all the concerned teachers (private & Government), students and parents to play their utmost role at eliminating the use of UFMs in terms of examinations to bring forth the strongest generation, leading the world ahead.

Regards

MUHAMMAD ISHAQ
