

Student Alert for Final Lab Exam of Additional Courses Fall 2020 & Winter Session 2020-21

- Additional Fall 2020 and Winter Session 2020 Lab Exam schedule are posted on website and also shared through whatsapp group.
- Students who registered for additional courses in Fall 2020 and/or Winter Session 2020 and were failed in lab component and attended at least three out of four lab are eligible to appear in final lab exam as per attached schedules.
- Improvement in Lab marks are not allowed in any case.
- Student has to submit complete lab file on the final day of exam and concerned teacher will assess it and after maintaining record will return it to the students. It is the responsibility of student to keep this file for his record as an evidence that his lab file has been assessed by the teacher.
- It is compulsory for each student before attending the final lab exam, he/she should mark his attendance on attendance sheet to be provided by concerned teacher. The same attendance sheet will be submitted by concerned teacher in Examination Department.
- For any query, contact your chairperson.
