DATE SHEET

MID TERM EXAMINATION

SPRING SEMESTER 2021

Instructions for students

1	Online examination system will record your system IP Address by logging your exam interface. In case of two same IP addresses, both the students will be awarded F Grade.
2	Maximum duration of exam is 50 minutes, minimum time to complete is 30 minutes, if you submit before the time, the paper will be graded with F Grade.
3	You can attempt paper only in the allocated time according to the date-sheet and finish within the time. System will not allow you to attempt after the allocated time.
4	Students are encouraged to explain the answers in their own words.
5	Your exam is designed from pool of questions bank and a unique paper is generated for each student. Don't waste time to use unfair means.

DATE SHEET

MID TERM EXAMINATION

SPRING SEMESTER 2021

Instructions for students

1	Online examination system will record your system IP Address by logging your exam interface. In case of two same IP addresses, both the students will be awarded F Grade.
2	Maximum duration of exam is 50 minutes, minimum time to complete is 30 minutes, if you submit before the time, the paper will be graded with F Grade.
3	You can attempt paper only in the allocated time according to the date-sheet and finish within the time. System will not allow you to attempt after the allocated time.
4	Students are encouraged to explain the answers in their own words.
5	Your exam is designed from pool of questions bank and a unique paper is generated for each student. Don't waste time to use unfair means.

DATE SHEET

MID TERM EXAMINATION

SPRING SEMESTER 2021

Instructions for students

1	Online examination system will record your system IP Address by logging your exam interface. In case of two same IP addresses, both the students will be awarded F Grade.
2	Maximum duration of exam is 50 minutes, minimum time to complete is 30 minutes, if you submit before the time, the paper will be graded with F Grade.
3	You can attempt paper only in the allocated time according to the date-sheet and finish within the time. System will not allow you to attempt after the allocated time.
4	Students are encouraged to explain the answers in their own words.
5	Your exam is designed from pool of questions bank and a unique paper is generated for each student. Don't waste time to use unfair means.

DATE SHEET

MID TERM EXAMINATION

SPRING SEMESTER 2021

Instructions for students

1	Online examination system will record your system IP Address by logging your exam interface. In case of two same IP addresses, both the students will be awarded F Grade.
2	Maximum duration of exam is 50 minutes, minimum time to complete is 30 minutes, if you submit before the time, the paper will be graded with F Grade.
3	You can attempt paper only in the allocated time according to the date-sheet and finish within the time. System will not allow you to attempt after the allocated time.
4	Students are encouraged to explain the answers in their own words.
5	Your exam is designed from pool of questions bank and a unique paper is generated for each student. Don't waste time to use unfair means.

DATE SHEET

MID TERM EXAMINATION

SPRING SEMESTER 2021

Instructions for students

1	Online examination system will record your system IP Address by logging your exam interface. In case of two same IP addresses, both the students will be awarded F Grade.
2	Maximum duration of exam is 50 minutes, minimum time to complete is 30 minutes, if you submit before the time, the paper will be graded with F Grade.
3	You can attempt paper only in the allocated time according to the date-sheet and finish within the time. System will not allow you to attempt after the allocated time.
4	Students are encouraged to explain the answers in their own words.
5	Your exam is designed from pool of questions bank and a unique paper is generated for each student. Don't waste time to use unfair means.

Instructions for students

1	Online examination system will record your system IP Address by logging your exam interface. In case of two same IP addresses, both the students will be awarded F Grade.
2	Maximum duration of exam is 50 minutes, minimum time to complete is 30 minutes, if you submit before the time, the paper will be graded with F Grade.
3	You can attempt paper only in the allocated time according to the date-sheet and finish within the time. System will not allow you to attempt after the allocated time.
4	Students are encouraged to explain the answers in their own words.
5	Your exam is designed from pool of questions bank and a unique paper is generated for each student. Don't waste time to use unfair means.
