

# UET announced New Entry Test Dates

---

Online mock tests will be held on July 02 and 03, while entry test will be held from July 5 to 8

Last date for ECAT Registration is June 27, 2021

June 07, 2021

Lahore () University of Engineering and Technology (UET) Lahore has announced the final date of combined entry test for admissions in B.Sc Engineering and B.Sc Engineering Technology across Punjab. The mock tests for undergraduate programs will be held on July 2nd and 3rd, while the entrance tests will be held from July 5th to 8th. However, the registration will be continue till June 27th, 2021. According to the university spokesperson, the Admit cards of the students have been updated to participate in the entrance test. Students can download and reprint the new updated admit cards from the university web portal. It should be noted that the date of entry test was changed due to prevalent code 19.
