

Sir Syed CASE Institute of Technology, Islamabad

Date Sheet Final Examinations Fall 2022 Undergraduate Programs

January 16 to 25, 2023

Day & Date	08:30 - 11:30	12:30 - 15:30
Monday 16 Jan-2023	Multivariable Calculus	Electric Network Analysis
	Introduction to Information and Communication Technologies	Technical & Business Writing
	Advance Statistics	Probability & Statistics
	Psychology	Design & Analysis of Algorithms
	Communication & Presentation Skills	Software Construction & Development
	Research Methods	Software Project Management
	Mechanics	Financial Accounting
		Advance Audit
	Management Information Systems	
Tuesday 17 Jan-2023	Electronic Devices & Circuits	Total Quality Management
	Electronic Circuit Design	Software Design & Architecture
	Calculus & Analytical Geometry	Software Quality Engineering
	Pre Maths-1 for Medical Students	Principles of Taxation
	Computer Applications in Business	Islamic Banking and Finance
	Principles of Marketing	Financial Management/Case Studies in
	Intermediate Taxation	Pakistan Studies (Management Science)
	Economy of Pakistan	
Wednesday 18 Jan-2023	Data Structure and Algorithms	Communication Systems
	OOPs+Data Structure Using C++ (BSc EE-UET)	Industrial Electronics
	Linear Circuit Analysis	Operating System
	Renewable Energy Systems	Web Engineering
	English Composition & Comprehension (CS Department)	Human Computer Interaction
	Islamic Studies / Ethics	Report Writing
	Information Security	Operations Management
	Cost Accounting	Advanced Taxation -2
	Human Resource Management	

Day & Date	08:30 - 11:30	12:30 - 15:30
Thursday 19 Jan-2023	Professional Ethics	Artificial Neural Networks
	Digital Logic Design	Computer Communication & Networks
	Applied Physics/Electricity & Magnetism	Micro Economics
	Programming Techniques	Business Communication
	Object Oriented Programming	Strategic Management
	Business Law	Advance Financial Reporting -2
	Macro Economics	Performance Management
	Introduction to Audit	
	Business Ethics	
Project Management		

Friday 20 Jan-2023	Digital Signal Processing	
	Complex Variables and Transforms	
	Linear Algebra	
	Discrete Structures	
	Visual programming	
	Parallel & Distributive Computing	
	Fudamentals of Accounting	
	Advance Statistics	
	Management Accounting	
Supply Chain Management		

Monday 23 Jan-2023	Entrepreneurship	Artificial Intelligence
	Pre Maths-2 for Medical Students	Th. Of Automata & Formal Lang.
	Digital Logic Design	Numerical Computing
	Software Engineering	Digital Image Processing
	Comp. Organization & Assembly Lang.	Principles of Management
	Software Requirements Engineering	Financial Reporting-2
	Business Mathematics-2	Foreign Lanaguage (Chinese)
	Consumer Behavior	Internal Control System
	Organizational Behavior	Strategic Financial Managemet

Day & Date	08:30 - 11:30	12:30 - 15:30
Tuesday 24 Jan-2023	Differential Equation (EE)	Smart Application Development
	Probability Methods in Engineering/Probability & Random Variable	Professional Practices
	Communication & Presentation Skills	Sociology
	Differential Equation	Company Law
	Business Mathematics	Advaced Financial Reporting-1
	Advaced Company Law-1	
	Advance Taxation-1	
	Marketing Management	

Wednesday 25 Jan-2023	Programming Fundamentals	Database Systems
	Pakistan Studies (Computer Science Department)	Simulation & Modeling
	Business Statistics-1/Advance Quantitative Techniques	Compiler Construction
	Introduction to Business Finance/Fundamental of Finance	
	English Composition & Comprehension (Management Dept.)	
	Financial Reporting	
	Money & Banking/Investment & Portfolio Management
