| 5.                                                                           | Labor Day                          | Friday                           | May 01, 2026             |

### Note:

\*Mid Term Exam shall be conducted within the respective classes scheduled whenever the teacher concerned feels that half of the course contents are covered.

\*\*Students of 1<sup>st</sup> semester may not avail this break and are required to continue classes due to their late commencement in late September or early October. They may immediately start the spring semester along with other batches.

\*\*\*Holidays for religious occasions are subject to the sighting of moon and notification by the Government.
