The President

Pakistan Medical and Dental Council,
Islamabad.

Subject: Declaration of MDCAT-2025 Results by Khyber Medical University within Record Time 12 Hrs

السَّلَامُ عَلَيْكُمْ

On October 26th, 2025, Khyber Medical University (KMU) successfully conducted the Medical and Dental College Admission Test (MDCAT 2025) for admissions to public and private medical and dental colleges in Khyber Pakhtunkhwa. The examination took place simultaneously in eight (08) districts of the province, including Peshawar, Mardan, Swat, Malakand, Dir Lower, Kohat, Dera Ismail Khan, and Abbottabad, with a total of 43 examination centres, where the total registered candidates were 39,986 (20,266 boys and 19,720 girls).

ALHAMDULILLAH, under the supervision of the Pakistan Medical and Dental Council (PM&DC), and tremendous support of Government of Khyber Pakhtunkhwa, FIA, National Cyber Crime Investigation Agency (NCCIA), Intelligence Bureau, Police Department, Special Branch, and other security agencies, the KMU MDCAT 2025 was conducted in a transparent and efficient manner. Comprehensive security measures were in place, including walk-through gates, metal detectors, mobile jammers, thumb verification by NADRA, and thorough body searches of candidates at all entry points. Only two minor cases of unfair means were reported before the start of the examination.

Subsequently, in the light of subject expert's validation (consist of 12 members) the answer keys were uploaded on KMU's official website: <https://kmu.edu.pk> within six (06) hours after the completion of paper time. KMU has achieved a remarkable milestone by declaring the MDCAT 2025 results in record time within only 12 hours for approximately 40,000 candidates, setting a precedent for rapid and transparent result management.

Summary of the KMU MDCAT 2025 is presented below:

Out of the total registered 39,986 applicants, candidates numbering 38,447 participated in the test, while 1539 (4.0 %) candidates remained absent. The highest score secured is 178 with an average score of 107.55.

For MBBS a total of 23,634 (53.3%) and for BDS a total of 26,181 (58.4%) are declared qualified for admission in medicine and dentistry.
