

2026 ICMRBST

International Conference on
Multidisciplinary Research in
Basic Science and Technology

April 11 - 12, 2026

Islamia College Peshawar

Call for Abstracts

Conference Themes.

- **Sustainable Systems and Energy Transition**

New material development for renewable energy (solar, wind, storage), climate modeling, and green technologies.

- **Data, AI, and Ethical Computing**

Foundational mathematics for AI/ML, data analytics, and the social/ethical implications of advanced computing.

- **Advanced Materials and Nanotechnology**

Fundamental chemistry/physics of novel materials, smart materials synthesis, nanoscale devices, and sensing applications.

- **Health, Biomedical, and Life Sciences Innovation**

Integrating biology, bioengineering, genomics, personalized medicine, drug delivery, and bioinformatics.

- **Foundational Science and Translational Engineering**

Papers detailing fundamental breakthroughs in Physics, Chemistry, and Applied Mathematics and their immediate translation into engineering applications.

**Abstract Submission Deadline
December 15, 2025**

Prof. Dr. Ahmad-ur-Rehman Saljoqi
Patron-in-Chief (Vice-Chancellor)

Dr. Safeer Ahmad Arbab
Patron / Focal Person

Registration Fee:
1000 PKR / \$60 USD
