# SSUET SPRING 2026

## Undergraduate Entrance Test Instructions

**Test Date: 6th Jan 26**

**Venue: SSUET**

Please read the following instructions carefully to ensure your test process goes smoothly:

### Admit Card & Fee Verification

- Admit cards will be issued through the application portal only after your test fee is fully paid and verified.
- If you made a late payment or used IBFT, ensure your receipt is verified by the Accounts Department and uploaded on the portal. Delayed verification may affect your test scheduling.

### Test Schedule

- Test Schedule will be available on both the website and the portal. Since updates are frequent, check both platforms regularly to stay informed.
- Look up your application number in the published schedule to find Test date, time, and lab number. If your details are Missing, bring your paid voucher to the Admissions Office for support.

### Payments

- If you have not yet paid your test fee, on-campus payments will be accepted on the day of the test.
- Uploading a paid voucher is mandatory for verification.

### Important Reminders

- Check the SSUET website and your application portal regularly for the latest updates.
- If you've submitted valid test scores from another institution and have been exempted from the SSUET test, you may disregard this notice. However, note that external test scores are only part of the merit evaluation and do not guarantee admission. A processing fee is mandatory for all applicants.

For information or help, contact the **SSUET Admissions Office**.

**Stay alert. Be prepared. Good Luck!**
