

# **Tabeer Fully Funded Undergraduate Scholarship Program**

**Tabeer Fully Funded Undergraduate Scholarship Program** is a flagship educational initiative of the **Pakistan Skill Incubation Program (PSIP)**. The program is designed to support talented and deserving students from government and private colleges and universities across Pakistan, by providing complete financial assistance for undergraduate studies.

In this regard, applications are invited for award of scholarships for **undergraduate (Bachelor's) degree programs** in a wide range of disciplines including:

- a. Information Technology & Computer Science.
- b. Engineering & Technology.
- c. Business Administration & Management Sciences.
- d. Social Sciences.
- e. Natural & Applied Sciences.
- f. Education, ADA/ADS, LLB, MBBS, BDS, Allied Health Sciences, Nursing, or other Medical Degrees.

## **Eligibility Criteria:**

- a. Applicants must be Pakistani nationals.
- b. Applicants must be enrolled in or seeking admission to an HEC-recognized public or private college/university in Pakistan.
- c. Applicants must demonstrate academic merit and financial need.
- d. Applicants must fulfill any discipline-specific or institution-specific requirements (if applicable).
- e. Result-waiting students are not eligible.
- f. Applicants already availing any other scholarship are not eligible.

## **Important Notes:**

- a. Eligible applicants will be shortlisted based on academic merit and financial need.
- b. Scholarships will be awarded on a fully funded basis, subject to program terms.

## **How to Apply:**

- a. Applicants are required to apply online through the **PSIP scholarship portal** (<https://psip.org.pk/tabeer-scholarship-program>) before 10 February, 2026
