

# Attention Overseas Students! Urgent: Download VUTES New Version 2.1.2 and Take Demo Test-Overseas Examination Guidelines

This is to inform all overseas students appearing for the Fall 2025 Final Term Examinations that the Virtual University of Pakistan has released the updated exam software and demo test schedule.

Students are advised to complete their system setup immediately.

## 1. Software Installation

Students must download and install **VUTES Overseas Version 2.1.2** from the official portal: <https://qb.vu.edu.pk/>. Ensure all required libraries (**Microsoft Visual C++** and Microsoft .Net Framework 4.8) are installed to avoid system errors during the login process.

## 2. Demo Test Schedule (Pakistan Standard Time)

To ensure system compatibility, demo sessions are available from January 19, 2026, to January 22, 2026, at the following times:

Session 1: 08:00 AM

Session 2: 09:50 AM

Session 3: 11:40 AM

Session 4: 02:00 PM

Session 5: 03:50 PM

Session 6: 05:40 PM

## 3. Demo Login Credentials

For the Demo Test ONLY, students should use their own Student ID for both fields:

**Login ID:** [Your Student ID] (e.g., BC25040XXXX)

**Password:** [Your Student ID] (e.g., BC25040XXXX)

Note: For the actual Exam Day, you must use the unique Password provided on your Exam Entrance Slip (Date Sheet).

## 4. Important Instructions

**External Webcam:** Use of a built-in laptop camera alone is strictly prohibited. An external webcam or the Iriun mobile app must be used.

**Remote Support:** Ensure AnyViewer or RustDesk is installed for invigilator verification.

**Submission:** Please attempt the complete demo test and click the Finish button to ensure your response is successfully recorded.

Kindly do the needful at the earliest to avoid any inconvenience on the day of the examination.
