### **What is the Rhodes Scholarship?**

The Rhodes Scholarship administered by the Rhodes Trust at Oxford (UK) is one of the most prestigious and competitive international scholarship programs in the world, offering exceptional students a life-changing opportunity to pursue postgraduate study at the University of Oxford.

Each year **2 outstanding scholars from Pakistan** are selected to undertake any full-time postgraduate programme at the University of Oxford—ranging from one-year Master's degrees to two-year MPhils and highly competitive DPhil programmes.

### **What does it offer?**

The Rhodes Scholarship is fully funded, covering all University and college fees, along with a generous stipend for living expenses. In addition, it provides an unparalleled opportunity to join a historic and influential global community of Rhodes Scholars—individuals who have gone on to become leaders, innovators, and change-makers across diverse fields.

For ambitious scholars committed to academic excellence, service, and leadership, the Rhodes Scholarship represents a truly transformative platform. Rhodes Scholars are selected on the basis of exceptional intellect, character, leadership, and a deep commitment to service.

### **A proud legacy**

The first Rhodes Scholar for Pakistan took up residence in Oxford in 1951. Since then, more than 75 Pakistanis have been awarded the Rhodes Scholarship.

**Rhodes Scholars from Pakistan have come from a wide range of academic disciplines, universities, and regions with a significant number of women, reflecting the diversity of talent across the country. We strongly encourage accomplished students from all backgrounds to consider applying.**
