

INSTITUTE OF MANAGEMENT SCIENCES | PESHAWAR
IMSciences Scholarships / Grants / Financial Aid
Session 2026-2030

IMSciences has been continuously working alongside international development organizations, corporate sector and donor agencies to provide equal higher education opportunities to the marginalized communities of Khyber Pakhtunkhwa specifically and the country at large. The aim of strengthening Institute in resource generation is to facilitate and meet the increased expectations of financially constrained but talented current and prospective students of the Institute. The Institute encourages such students by providing real time financial aid opportunities in quality higher education and enables them with updated skills and knowledge to play their role in the regional and national development of our country.

Last year, IMSciences funded a significant number of students who had financial constraints and were unable to continue their education. In Financial Year **2024-2025**, approximately a total of **1,909** students which is **54.54 %** of the total strength, has been provided financial support worth **Rs. 242.134/-** Million, in **20** different Fully Funded Need and Merit Based Scholarship Programs, Merit Based Scholarships for Talented Students, Interest Free Student Loans, Siblings Fee Rebate, Work Study Programs and Global Cultural Exchange Programs.

The following is the detail of all financial aid / scholarship programs which have been operational at IMSciences for the financially needy and talented students. It is to be noted that all the scholarship programs announcements are subject to the approval of donors. Please also note that students can apply to multiple scholarships but can avail only one scholarship at one time, until and unless explicitly mentioned by donors.

(The Scholarship and Financial Aid Application Forms for all Donor-Based Scholarships, including IMSciences Newly Merged Districts of Khyber Pakhtunkhwa (Ex-FATA), CMEEF, HEC and other donor funded Scholarship Programs, will be available to students both online and in hard copy after their admission is confirmed, classes have commenced at the Institute, and scholarship seats have been approved by the respective donors).

IMSciences Fully Funded Scholarship for Students from Newly Merged Districts (NMDs) of Khyber Pakhtunkhwa (Ex-FATA) for Undergraduate, MBA, and MS Level Programs

Based on the development needs of the Newly Merged Districts (NMDs) region of Khyber Pakhtunkhwa, IMSciences has achieved a significant milestone with the establishment of the **IMSciences FATA Scholarship Program** in cooperation with the FATA Secretariat, Peshawar. This program is designed to ensure equal access to education for students from the former FATA, offering fully funded scholarships for various academic levels at IMSciences. The program provides a total of twenty-five (25) scholarships: 13 for Undergraduate Programs, 8 for MBA, and 4 for MS Level Degree Programs. These scholarships cover full tuition fees and provide a monthly stipend for transportation, accommodation, books, and incidental expenses throughout the duration of the studies.

Chief Minister Education Endowment Fund (CMEEF) Merit and Need Based Scholarships for Undergraduate Level (BBA)

Under the supervision of the Higher Education Department (HED) of the Government of Khyber Pakhtunkhwa (KP), the Institute of Management Sciences (IMSciences) has been selected as one of the ten implementing partner institutions for a special scholarship program. This opportunity is exclusively available for students enrolled in the BBA program at IMSciences. The scholarship will cover full tuition fees, accommodation, and a monthly stipend of Rs. 5,000 to support books, travel, and other incidental expenses throughout the duration of the program. Awarding of the scholarship is subject to final approval from the HED – Government of KP.

HEC Need Based Merit Scholarship Program in all Undergraduate Level Programs (4 Years Degree Programs)

Under the supervision of the Higher Education Commission (HEC), this Fully Funded Need-Based Merit Scholarship Program is designed to support study programs with the highest marketability in Pakistan's corporate sector. It aims to provide equal opportunities to talented students from marginalized areas who are unable to pursue higher education due to financial constraints. A total of twenty-five (25) fully funded scholarships are available under this scheme in all twelve (12) undergraduate level study programs. The scholarship covers full tuition fees and provides a monthly stipend for accommodation, books, travel, and incidental expenses for the entire duration of study at IMSciences. These scholarships are subject to HEC approval and the availability of funds.

Govt of Punjab Honhaar 100 % Tuition Fee Scholarships for the Students of Khyber Pakhtunkhwa in all Undergraduate Level Programs (4 Years Degree Programs)

Government of Punjab has launched a major initiative for award of 5000 scholarships to the enrolled students in 68 different disciplines at Public Sector Universities and HED Colleges in Khyber Pakhtunkhwa to provide financial assistance to academically talented and deserving students, fostering leadership and community service among the youth. The program seeks to remove financial barriers for students from diverse backgrounds enabling them to pursue higher education and achieve their career aspirations. IMSciences has been awarded a total of fifty (50) scholarship awards last year. These scholarships are subject to the approval of the respective donor, Govt of Punjab. The official web portal for student's registration including relevant details and eligibility criteria is already activated i.e. <https://honhaarscholarship.punjabhec.gov.pk>

Provision of Higher Education Opportunities for the Students of Balochistan & Erstwhile FATA

Under the supervision of Higher Education Commission of Pakistan this beneficent scholarship program is available in undergraduate level all study programs. These scholarships are merit based and targeted towards outstanding candidates having Domicile / Local Certificate of Balochistan and erstwhile FATA. All details regarding advertisement, eligibility criteria, selection procedure and how to apply can be found on HEC website at <https://www.hec.gov.pk/english/scholarshipsgrants/BF-III/Pages/default.aspx>

HEC Undergraduate Scholarship Program for the Students of Gilgit - Baltistan in Top Pakistani Universities / Institutions

The main aim of the program is to provide scholarships to the students from GB to equip the youth with the latest education for upcoming challenges. Gilgit Baltistan is a critically important area and is the terminal point of CPEC road whereas the Gawadar is on the other end. The program will provide financial assistance to the students to pursue their higher studies in all the top Public Sector universities / institutions of Pakistan for the development of their area and the country.

Higher Education Commission (HEC) has been endeavoring to improve quality, access, affordability, and equity of tertiary education to the youth of GB. To provide learning opportunities and better job opportunities to the youth of less privileged areas, the districts of GB are significantly important due to their location, especially with China and central Asian states. This scholarship program is supervised and managed by Higher Education Commission of Pakistan. All details regarding advertisement, eligibility criteria, selection procedure and how to apply can be found on HEC website <https://hec.gov.pk/english/scholarshipsgrants/USP-GB/Pages/default.aspx>.

Ihsan Trust Financial Assistance Program for Higher Education

One of the major focuses of the trust is in the domain of providing Qarz-e-Hasna (Interest free loan) for Education to the needy and deserving students of major and leading universities of Pakistan. Through this scheme the Ihsan Trust bears the educational expenses of the students on purely "Need cum Merit" basis in order to enable them to complete their Higher Education. The amount of Qarz-e-Hasna sanctioned to the selected student depends on his/her need and eligibility. During the study period, the student has to pay a nominal, token repayment amount (depending upon the financial position of the candidates, his/her parents/guardian's monthly income) to the Ihsan Trust as repayment. After the completion of his/her education, the repayment amount for the Qarz-e-Hasna is to be adjusted according to the income of the student. For further details, please visit <https://www.ihsantrust.org/education.html>
