Confirming your admission

1. Sign in at the **candidate portal** and print your admission offer letter.
2. Print the semester fee voucher and pay it at any branch of UBL.

Each programme was competed for on its own, so candidates were considered only against the programme they named as their first preference; those who did not make its closing merit remain on that programme's waiting list. Associate Degree candidates name a single programme by rule, so those not selected remain on the waiting list for that programme. This page is published for information; the office record is authoritative.
