CHAIRPERSON MESSAGE

I feel honored and privileged to serve as chairperson Board of Intermediate & Secondary Education Abbottabad. I am committed to make it an organization of outstanding fame with the cooperation of higher authorities, educationalists, the parents, teachers and general public.

It is indeed a matter of immense pleasure to acknowledge the achievements of our brilliant students who have made both the Institutions and their parents proud. These brilliant students exhibit such qualities that will not only help them in achieving their goals, but also bring glory of success to our society at large. We believe in competitive environment in fair and transparent manner with equal opportunities to all and much pleased to see our dear students performing and excelling in their respective areas of interests.

Dear Students, hard-work in any field never goes un-rewarded. I express my heartiest **CONGRATULATIONS**, to the students who grabbed distinction and all other successful candidates. I also express my heartiest gratitude to the parents and teachers for their support and collective efforts towards the development of young talents, grooming them to achieve high and above all, raising them with a benign attitude. Whatever the students have achieved so far would never have been possible without your constant endeavor. However, Students who could not excel should remember that this is not the end and one result cannot determine your destiny. **DO NOT LOSE HOPE**, this is just the beginning! Find your passion, polish it with hard work, consistency and determination, and give flight towards achieving your dreams as there will be many more opportunities coming to prove your mettle.

I am extremely pleased to acknowledge and appreciate the commitment, dedication and hard work of Board's staff and proud to lead such an energetic and committed team.

Congratulations on all that you have accomplished! Remember the past, live in the present and look forward to the future.

I wish you all greater success and glory in the years ahead.

Dr. Shaista Irshad Khan

CONTROLLER OF EXAMINATIONS MESSAGE

Yet another task of HSSC Annual Result 2019 has been achieved for which we are bowed with Gratitude before the Gracious God. Every care has been taken in the sensitive process to maintain accuracy and justice right from inviting admissions, creation of examination centers, appointment of supervisory staff, process of evaluation and compilation of result. Guidelines by E & SE department and the Chairperson BISE Abbottabad Dr. Shaista Irshad Khan have worked as light house for us throughout the process. BISE staff has been fully enthused, working with pains taking devotion for which they are commendable. It was, no doubt, a gigantic task.

We congratulate the candidates who have got through, and those who achieved the distinction. For them, of course, it is a festal time. They must accelerate the efforts to explore "the skies beyond the stars". Those who could not qualify should not feel discouraged. They are dearer to us. They should remember that Endeavour is the real success. Failure always shows us the clear picture and works as perpetual spur. On the other side success may satisfy us, lowering down our march towards achievements. So overcoming your flaws, prepare yourself again for the next trials.

Unfair means in the examination has been dealt with iron hands in our efforts for establishing merit at every stage. It is earnestly hope that the evil of depending on unfair sources during examination will be eradicated absolutely.

Remember that students are for us as seeds and crops are for the farmers. We undergo the same sweats, toils, prayers and looks towards the sky for the mercy. You are our future-the future of Pakistan. Brighten yourself and uplift the nation to the new zeniths.
