UNFAIRMEANS CASES

As a result of strict measures adopted to curb the tendency of unfair means in the examination, a remarkable achievement has been noted. Despite of, vast and comprehensive inspections only **9** cases in all could be detected with alleged use of unfair means in the Examination Halls. Their decisions have been made as under.

A judicious procedure has been observed to decide all these cases. Before deciding the cases of alleged use of unfair means fair opportunity of defence has been provided to all the candidates involved in such cases. A liberal offer has been made to the candidates to avail the chance of personal interview with the discipline Committee and it has been ensured that personal hearing is granted to every such candidate who has shown willingness for this purpose. All the undecided cases are pending for want of written reply from the candidates in response to charge-sheet issued to them by the office. These candidates have been reminded more than once to submit their statements to the office to proceed further in the cases. All of them are hereby advised to submit their written defence to avoid ex-part decision. The numbers of unfair means cases detected in this examination and so far, decided are mentioned here under:
