CHAIRPERSON MESSAGE

It is moment of immense pleasure to declare SSC (Annual-I) Examination 2023 of BISE Kohat result after a long and tiring process of the conduct of examination.

As per past, BISE Kohat tried its level best to introduce reforms for ensuring highest standards and transparency in the examination process by online monitoring of examination centers through CCTV Cameras from Control Room established at BISE Kohat, introduction of mobile application for online registration of UFM cases through Smart Examination Monitory System (SEMS). Furthermore, we left no stone unturned to ensure the availability of online facilities to the candidates as well as institutions for submission of online enrollment, registration and admission data (paperless) etc.

Sincere and heartfelt congratulations to all the successful candidates and especially to those who have clinched positions in this examination. Those, who are not satisfied with their results, shall not lose hearts as failure is key to success. They shall renew their spirit and hope as nothing is impossible.

It is a fact that the result of this level of education is of great importance as it proves a turning point in the academic career of candidates. Let me remind the teachers that they are obliged to educate the students in conceptual knowledge so that they may become competent individuals in their practical life for bringing the country at par with the international standards which without saying is the need of the day.

Furthermore, BISE Kohat introduced grading system as well the pass percentage of marks will be 40%. The SSC Exam 2024 will be taken on SLO-based question papers. Those candidates appeared in 9th and 11th not be failed and will promoted to 10th and 12th classes respectively.

To conclude, I will reiterate my stance and intentions for bringing out positive innovations in the system so as to facilitate each and every quarter concerned and make BISE Kohat an ideal organization. Surely, I will entertain valuable suggestion from each and every quarter and awaiting for the same.

Wish you all the best.

MESSAGE BY THE CONTROLLER OF EXAMS

Education is a life-long process and its transmission to the new generation is a sacred trust, in which a transparent and systematic evaluation stands supreme and we have been entrusted this sacred duty of evaluation through fair exams.

The result in your hands is nothing but a story of joint efforts under the able leadership and kind guidance of the worthy Chairperson that the compilation of the result well in time came true. I am also profoundly indebted to all the staff working in Secrecy Section and not to forget Deputy Director-IT and his Team, who burnt mid-night oil and made it a reality.

In compilation we have tried to declare error free result but, "to err is human being". Hence it is earnestly hoped that minor mistake of print/punch will be ignored.

I cordially congratulate all the position holders, their parents and relevant heads of institutions for their brilliant display in the result. I am confident in saying that you been paid rightly. You have got what you deserved and I hope you will carry on your efforts to prove yourselves an asset for our beloved country. However, the unsuccessful candidates must not lose heart as failure is a ladder to success.

I conclude my message on a request to all the students' teachers and parents that let us come and build our nation through quality and meaningful education which is the panacea to all our ills.

Thanks, with a lot of prayers.
