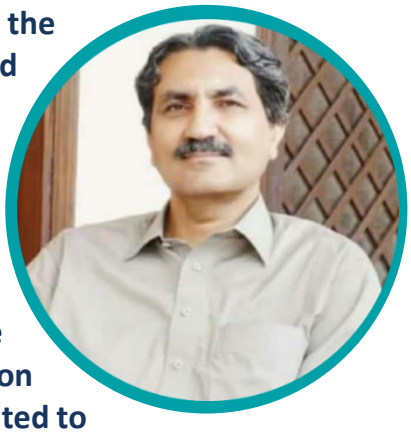
Message by The Chairman

After a rigorous and exhaustive process, BISE Kohat is pleased to announce the results of HSSC Annual-I Examination 2025. This is indeed an important milestone in our ongoing efforts to ensure fair and transparent examinations and restore academic honesty.

We have introduced a number of reforms to cleanse our system of corruption, negligence, unfair means etc. Examination halls have been shifted to Government premises; cluster-based system has been started; monitoring of examination halls has been strengthened; marking regime has been made more accurate; and students have been given access to their marked answer scripts. Moreover, the answer books of high achievers are now uploaded on our website for public scrutiny.

Congratulations to all successful candidates, especially those who have secured top positions. For those who are not satisfied with their results, remember that setbacks are often stepping stones to success. Renew your determination and keep striving, as nothing is impossible.

The results of this examination mark a crucial point in the academic journey of our students. I urge teachers to focus on imparting conceptual knowledge, ensuring that students are well-prepared for their future roles in society and contributing to raising national standards.



I am committed to driving positive changes in our system to better serve all stakeholders and to make BISE Kohat an exemplary institution. I welcome and value suggestions from all quarters to aid in this endeavor.

Best wishes to all.

(Muhammad Imtiaz Ayub)
Chairman

Message by The Controller of Examinations

Education is a life-long process and its transmission to the new generation is a sacred trust, in which a transparent and systematic evaluation stand supreme and we have been entrusted this sacred duty of evaluation through fair examinations.

The result in your hands is nothing but a story of joint efforts under the able leadership and kind guidance of the worthy Chairman, Muhammad Imtiaz Ayub that the compilation of the result well on time came true. I am also profoundly indebted to all the staff working in Secrecy Section and not to forget Deputy Director-IT and his Team, who burnt mid-night oil and made it a reality.

In compilation, we have tried to declare error free result but "to err is human being". Hence it is earnestly hoped that minor mistake of print/punch will be ignored.

I cordially congratulate all the position holders, their parents and relevant heads of the institutions for their brilliant display in the result. I am confident in saying that you been paid rightly. You have got what you deserved and I hope that you will carry on your efforts to prove yourselves an asset for our beloved country. However, the unsuccessful candidates must not lose heart as failure is a ladder to success.

I conclude my message on a request to all the students' teachers and parents that let us come and build our nation through quality and meaningful education which is the panacea to all our ills.

Thanks, with a lot of prayers.
